THE RITZ

After 15 months of nothing but a ghost light on the stage, The Ritz Theatre Company is BACK, proudly celebrating 36 years of providing quality theatre productions here in South Jersey. The Ritz is a non-profit organization that regularly features guest artists that include Broadway and Regional theatre stars.

Our Tri-state actors have been nominated for and have won numerous awards, and we are consistently recognized by the Delaware Valley press for our quality talent and performances.

Advertising with The Ritz provides an excellent opportunity for visibility and exposure within our local community as well as fantastic support between fellow small businesses!
